

GALLERY MEETING MINUTES: January 9, 2019

1) Pippa gave a reminder of how CHANGE OUT works and how it facilitates equality of showing opportunity. Note: the display space map will be available to view in the gallery as soon as Thursday. Find your space and then you will go to the next numerical one after that. Half-space users may vary.

2) All were reminded about selling Arts and Ales tickets.

3) Carol VandenBosch and Pat Richards are going to get together to discuss Pat's being on Chattanooga Chanel 9 to promote the event.

4) Artist applicant, Morgan Anderson, was juried into the gallery (with proviso). Morgan has been informed of her status.

5) The next CHANGE OUT is to be on February 20. On this day, Betsy and Marianne can take their show down (ready for Kim to put her's up) and we can all start figuring out what we want in the gallery. and what we want to have on exhibition at Arts and Ales;

6) ART FOR ARTS & ALES -- We should all be thinking of creating work for Arts and Ales. Stuff does sell at this event, so it is a worthwhile venue. We have seven weeks; let's "blow them away" with our creative energy!! PS. Ideally you do not have to take from the gallery for the Arts and Ales show.
